Information for applicants with foreign academic qualifications

The ‘Evangelische Hochschule Rheinland-Westfalen-Lippe’ Protestant University of Applied Sciences (EvH RWL) has joined an agency called uni-assist: the university application service for international students. Since May 2006, uni-assist screens applications from applicants with foreign academic qualifications regarding their fulfilment of admission requirements.

That means you will need to send your application to uni-assist first and to pay a processing fee. Once uni-assist has made sure that your application is complete and formally satisfactory, it will be forwarded to the EvH RWL. As a service, uni-assist allows you to apply to several institutions using only one set of documents.

Who needs to apply at uni-assist?

Every German or international student who has not gained his/her university entrance qualification in Germany or at a German school abroad has to apply via uni-assist.
General university entrance qualifications are e.g. Abitur, Matura, A-Levels, High School, Diploma, Baccalauréat.

When to apply?

Applications for the winter semester B.A. Social Work, B.A. Heilpädagogik / Inclusive Education, B.A. Early Education (basic form): from April 01st until May 31st.
